### Keyboard Proficiency Examination

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student’s ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. Students may enroll in secondary piano lessons as preparation for the exam. Exam must be completed by the end of the 5th semester of enrollment at the latest.

### Styles Examination

All Doctoral students must take the Styles exam in their first spring semester of enrollment. Students who pass the exam meet the requirement. Students who do not pass the exam may re-take the exam once with permission of the director of graduate studies, if their score is within a range recommended by the Doctoral Styles Committee. Students who do not pass the exam must earn a grade of B or higher in **T545 Introductory Analysis of Music Literature**. This course may fall anywhere in the student’s curriculum. This requirement must be completed before a student may begin qualifying examinations.

Student’s Responsibility: Students have a threefold responsibility: 1) to know and satisfy the graduation requirements stated in the Jacobs School of Music Bulletin; 2) to know their academic standing based on the academic standards stated in the JSoM Bulletin; and 3) to know and observe all regulations and academic calendar deadlines as stated in the Schedule of Classes, the JSoM Bulletin, and the student handbooks. Faculty and staff advisors assist students in planning a program of study to meet degree requirements, but students are responsible for meeting all requirements for their respective degrees and all announced deadlines.
