### Music History & Literature and Music Theory Entrance Proficiencies

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

- Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)

- Students who completed their undergraduate degree at IU in the current calendar year or three preceding calendar years can be exempt from the graduate entrance exams with minimum grades in specific courses. See the JSoM Bulletin for details.

- Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M501 serve as prerequisites to the master’s music history and literature requirement. The review courses are not offered every semester.

### Keyboard Proficiency Examination

All music graduate students must pass a keyboard proficiency examination. Organ majors fulfill the keyboard proficiency by passing C504 Keyboard Skills Review and/or C510 Service Playing Review, if necessary.

### Keyboard Skills and Service Playing Proficiency

Keyboard Skills and Service Playing Proficiency. Ability in sight reading, transposition, score reading and reduction, figured bass, improvisation, console conducting, and hymn playing as demonstrated by examination or by passing C504 Keyboard Skills Review (1 cr) (for keyboard skills and improvisation) and C510 Service Playing Review (1cr.) (for console conducting, hymn playing, accompanying, and score reading). Students must take both parts of the proficiency exam in their first semester of enrollment; with organ department permission, they may take specific exams for a second time in their second semester of enrollment. For any exam not passed, students must pass C504 Keyboard Skills Review or C510 Service Playing Review as appropriate.

### Comprehensive Review

Prior to graduation, all master's degree students must pass an oral or written examination. It is the responsibility of the student to consult with the major field department to ascertain the procedures established within that department. This consultation should be accomplished within the first year of residency.
