### Music History & Literature and Music Theory Entrance Proficiencies

All new students are required to show proficiency in Music History & Literature and Music Theory. The proficiencies may be satisfied in any of the following ways:

Students may take and pass the graduate entrance exams. Students must take the exams at the beginning of their first semester of enrollment; they may take them for a second time in their second semester. They may not take them again, nor may they take them after their second semester of enrollment. (Note that this includes summer sessions in which students are enrolled. Exams are ordinarily given in the week before classes begin each semester.)

Students who completed their undergraduate degree at IU in the current calendar year or three preceding calendar years can be exempt from the graduate entrance exams with minimum grades in specific courses. See the JSoM Bulletin for details.

Students may enroll in and pass the graduate review courses listed below:

- **M501 Proseminar in Music History** (3 cr)
- **T508 Written Theory Review for Graduate Students** (3 cr)
- **T509 Sight Singing Review for Graduate Students** (1 cr)
- **T511 Aural Theory Review for Graduate Students** (1 cr)

Students should begin enrolling in review courses from which they are not exempted by examination as soon as possible; otherwise completion of the degree may be delayed as T508 and M501 serve as prerequisites to the master’s music history and literature requirement. The review courses are not offered every semester.

### Keyboard Proficiency Examination

All music graduate students must pass a keyboard proficiency examination. This exam is designed to ensure the student’s ability to use the keyboard as a tool within the framework of professional activities, and the requirements vary according to level and area of music study. This exam may be repeated as many times as necessary to show proficiency. The exam is offered at the end of each term. The keyboard proficiency requirement may be satisfied by passing the examination at any of the times it is offered or by receiving a grade of B or higher in **P715 Keyboard Review for Graduate Students** (1 cr).

Performance lessons must be at 800 level and may not include lessons on the student’s major instrument. Credits may not be used for major ensemble, capstone courses (e.g., thesis, document), recitals, proficiency courses, or tool subjects. 6 credits taken within a single department outside the student’s major department may become an Outside Area. An Outside Area may become a minor if 12 credit hours are taken in that field.

### Comprehensive Review

Prior to graduation, all master's degree students must pass an oral or written examination. It is the responsibility of the student to consult with the major field department to ascertain the procedures established within that department. This consultation should be accomplished within the first year of residency.
