Bachelor of Science in Music and an Outside Field  
(Ballet Emphasis)

Admission to the curriculum only by audition. A background in music is not a prerequisite for admission to the degree program. This curriculum provides a double focus in music and another area. Outside fields may be

1. an area other than music;
2. Music associate degrees in technology (audio or string instrument technology); or
3. an interdisciplinary individualized music cognate area. Applications for approval of an individualized music cognate area are available in the Music undergraduate office.
