Kids Compose!
Letter of Agreement

I understand that my child's composition could be included in *Kids Compose!*, a community outreach music program that aims to foster children's natural talent for composing melodies. If selected for inclusion, my child's composition will be arranged by an Indiana University Jacobs School of Music composition student. The final arrangement will be performed at a MCCSC MAC series performance, at which my child will be in attendance for acknowledgement. The performance will be recorded by the IU Jacobs School of Music and be made available on CD.

I am granting *Kids Compose!* permission to arrange, orchestrate, record, and reproduce my child's melody as part of this project. I understand that as part of this project, there may be multiple arrangements, orchestrations, recordings, and reproductions of the melody.

I also permit *Kids Compose!* to copyright the arrangement in its own right, in the names of the arranger, Indiana University and *Kids Compose!*, provided that my child's name is listed as the composer of the original melody.

I may apply for copyright of the original melody only, if I wish. Copyright of the original melody means that no individual or organization, other than *Kids Compose!*, will be able to use the melody without my permission. (For more information on copyrighting the original melody, see <http://www.copyright.gov/register/performing.html>.)

I release all claims to any royalties collected from performances, recordings, and sales of arrangements made as part of this project to *Kids Compose!* and the arranger.

Finally, I understand that *Kids Compose!* will not realize any net profits from the distribution and sale of the CD(s) or other products of this project.
