**SOME REMINDERS:**

- Students are expected to attend all classes, lessons, practice periods, and concerts.
- Students are expected to behave courteously and responsibly at all times.
- Students are expected to enjoy their time and learn a lot!

**Special Note about Foot and Leg Care:**

The ballet intensive is intended to give the student the opportunity to experience instruction in a collegiate setting. It is a very physically challenging camp and dancers need to come prepared to properly care for the normal wear that may occur as a result. Blisters, chafing, sore muscles, are to be expected. Please come prepared with personal care items. You will have access to a refrigerator and ice.
