IU Summer Percussion Academy TIPS 2016

Here is a list of things to keep in mind as you pack for the Summer Percussion Academy.

Bring the following items with you:
• your sticks, mallets and percussion ensemble music along with any music you plan to play during a masterclass
• a black towel (hand towel size) to be used as a mallet/stick tray on a music stand
• casual wear for most activities:
  • Shorts
  • Jeans
  • T-shirts
  • 2 pairs of casual shoes;
• Dress clothes for concerts
  • Black pants/skirt with a colored shirt/blouse, black shoes.
• Lightweight jacket, sweater or sweatshirt (practice rooms are sometimes cool);
• Raincoat or umbrella, (there has been a lot of rain this summer!);
• Nightwear, bathrobe, slippers or shower shoes (bathroom is down the hall);
• Personal toiletries;
• A camera;
• Spending money for snacks, laundry, music, souvenirs, etc.

SOME TIPS:
• Do not bring large sums of cash. Traveler’s checks are suggested. Local stores will not accept or cash out-of-town personal checks. Some of our guest artists may have books, CDs, etc. to sell at the end of the Academy/Workshop.
• Bed linens, towels, and a pillow are provided.
• Label everything including instruments, music, notebooks, and clothing. Make a list of what you bring.
• Don’t leave your possessions unattended anywhere. Things can disappear.
• Please don’t assume that all sessions can be video recorded, etc. This decision rests with the Artist.

SOME REMINDERS:
• Students are expected to attend all classes, lessons, practice periods, and concerts.
• Students are expected to behave courteously and responsibly at all times.
• Students are expected to enjoy their time and learn a lot about playing their instrument well!
