

Indiana University Jacobs School of Music
Pre-College Financial Aid Application Form Spring 2007
\$10.00 non-refundable application fee required

It is the goal of the Jacobs School of Music to extend financial aid to families who demonstrate a commitment to musical education for their children. However, financial aid resources are extremely limited. The fees of the Pre-College Programs are subsidized by Indiana University as a community outreach commitment.

Financial aid is awarded to families who have a total family income under \$35,000 per year for school year programs and \$50,000 per year for summer programs.

Please complete the application form and attach photocopies of the most recent signed Federal Tax Form 1040 with W2s from the applicant's parent(s) or guardian(s). Payment may be made by credit card or by check/money order (made payable to Indiana University). Please indicate payment method on box at bottom of the application form.

Contact the director of your child's program/academy for all application deadlines.

Please send all application materials and \$10.00 fee to:
